What languages are spoken?

Do they have any other culturally specific programs?

Are they near public transit or do they offer transportation services?

Is there any cost for services?

Are there evening hours?

Are there any restrictions for receiving services (sobriety, active restraining order, etc.)?

Do they currently, or would they be willing to provide training to community members?

Ask if there is anything else you should know about their services and explain why you are calling.

Identify a key contact for your work and for the family planning or home visitors you are training.
