

JWI PROGRAMS ABOUT HEALTHY RELATIONSHIPS & SELF-ESTEEM

Strong Girls, Healthy Relationships: A Conversation on Dating, Friendship & Self-Esteem is a dynamic 6-session, 12-hour curriculum in which teen girls explore empowerment and self-esteem, in the context of the relationships they build, the way they perceive themselves and how they envision their futures.

Strong Girls: Friendships, Relationships & Self-Esteem is a 3-session, 3-hour version of our popular original *Strong Girls, Healthy Relationships* program, focuses on happiness, healthy choices, and the value of a supportive network of family, friends and partners – now and in the future – to build girls’ confidence.

Good Guys: Partnership & Positive Masculinity is a 3-session, 3-hour complement to JWI’s *Strong Girls* mini-curriculum. Geared toward boys ages 12-14, this curriculum tackles tough issues like self-esteem, masculinity, power and control, conflict resolution, coming of age, and relationships from a Jewish perspective.

When Push Come to Shove...It's No Longer Love!® is an interactive 1½-hour program that helps young men and women explore the dynamics of healthy and unhealthy relationships, and how they can help themselves (or someone they know) out of an unhealthy relationship. The centerpiece of this program is a short documentary film featuring courageous young adults who share their personal cautionary tales of relationship abuse.
