Training and Technical Assistance Opportunities:

[Join our email list](#) to hear about these upcoming opportunities and resources!

Peer Learning:

- Quarterly field-responsive capacity building forums on supporting survivors and staff at the intersection of DV/SA, trauma, substance use, and mental health during the COVID-19 pandemic. Contact info@ncdvtmh.org for more information and to get involved.

Enhancing Services and Organizational Capacity:

- Monthly webinar series on [Creating Accessible, Culturally Responsive, and Trauma-Informed \(ACRTI\) Services: A Capacity Building Training for Domestic Violence and Sexual Assault Programs](#)
- [Training and TA resources on foundational approaches to Accessible, Culturally Responsive, and Trauma-Informed Advocacy during COVID-19 pandemic, including resources to support mobile advocacy](#)

Supporting Advocate Well-Being:

- [Training, TA, and resources on supporting advocates and organizations in addressing and preventing burnout and secondary trauma during COVID-19](#), including:
 - [Shelter from the Storm Inside: Supporting Recovery, Safety, and Well-Being During the COVID-19 Pandemic](#) (webinar includes mind-body practices that support physical and emotional safety)
 - [Supporting Well-Being webinar](#)

Supporting Healing:

- 5-part monthly webinar series on culturally-rooted resources in healing and safety from interpersonal and collective trauma
- Webinar series and guide on mental health care in the context of DV
- ACRTI advocacy with survivors who experience mental health challenges
- Discussion forums and field-responsive tools to support the integration of mental health care in DV programs
- Training and TA on survivor-defined support during mental health crises

Resources:

Resources on building collaboration with mental health and substance use providers, including cross-training materials, fact sheets, research, tip sheets, and archived webinars:

- [HHS Information Memorandum on the Intersection of DV, Mental Health, and Substance Use](#)
- [Working at the Intersections of Domestic Violence, Mental Health, and Substance Use webinar series](#)
- [Recommendations for Suicide Prevention Hotlines on Responding to Intimate Partner Violence](#)
- [Mental Health Treatment in the Context of Intimate Partner Violence](#) (chapter in the Handbook of Interpersonal Abuse and Violence)
- [Multi-Site Initiative Report: Building Capacity to Support Survivors Who Experience Trauma-Related Mental Health and Substance Abuse Needs](#)
- [Coercion Related to Mental Health and Substance Use in the Context of Intimate Partner Violence: A Toolkit for Screening, Assessment, and Brief Counseling in Primary Care and Behavioral Health Settings](#)
- [Understanding Substance Use Coercion](#)
- [Resources for Mental Health and Substance Use Treatment and Recovery Support Providers](#)

Comprehensive library of recorded webinars, toolkits, guides and tip sheets on supporting survivors and their families experiencing mental health and substance use concerns:

- [Committed to Safety for ALL Survivors: Guidance for Domestic Violence Programs on Supporting Survivors Who Use Substances](#) (guide and webinar series)
- [Family-Centered Toolkit for Domestic Violence Programs](#) (toolkit and webinar series)
- [7 Common Practices in Substance Use Disorder Care That Can Hurt Survivors and What You Can Do Instead](#)
- [Trauma-Informed Responses to Emotional Distress and Crisis](#) (webinar series)

Resources on creating and sustaining Accessible, Culturally Responsive, and Trauma-Informed (ACRTI) organizations and services, including resources to address secondary and organizational trauma and support advocates' well-being:

- [Tools for Transformation: Becoming Accessible, Culturally Responsive, and Trauma-Informed Organizations](#) (suite of resources including an organizational reflection toolkit and implementation support guides)
- [Tools for Transformation](#) (webinar series)

Resources to support survivors and their families and the DSV fields in the context of COVID-19, including COVID-19-related service access concerns and telehealth policy:

- [Covid-19 Resource Hub](#)
