

Economic Empowerment NEEDS Assessment

Introduction

When establishing an economic empowerment program, it is important to conduct a detailed needs assessment of your organization’s and communities’ current economic empowerment services. This guide is designed to help you identify what you currently provide and opportunities to develop services for the economic and financial security of survivors.

Economic Empowerment Needs Assessment

Peer Learning Topic	Do you offer these services?		If yes, identify key program features	What gaps exist in these services?	Do you collaborate with partners?		If yes, please identify current partners
	Yes	No			Yes	No
